

Science Tutor (Years 7–GCSE)

Part-Time | On-Site | North London

Location: North London (in-person sessions)

Competitive Hourly Rate

Inspire Young Minds Through Hands-On Science Learning

STEM Dorado is seeking an enthusiastic and experienced Science Tutor to deliver engaging, hands-on science tutorials for small groups of students in Years 7 to 9.

This is a part-time, on-site position based in North London, ideal for someone with a passion for science education and a drive to help students achieve their best through both conceptual learning and practical experiments.

Who We're Looking For

- A Bachelor's or Master's degree in any field of science (Biology, Chemistry, Physics or related disciplines)
- Experience teaching or tutoring secondary school science (KS3–GCSE) in the UK
- Excellent communication skills and an inspirational teaching style
- Comfortable conducting and guiding hands-on science activities
- Committed to helping students understand, apply, and enjoy science
- Organised and proactive in setting assignments, tracking progress, and offering feedback

What You'll Be Doing

- Teaching science in a small-group format to students in Years 7–9.
- Delivering content through a mix of theory, discussion, and interactive experiments
- Preparing assignments and mini-assessments to monitor and support student progress
- Creating a classroom environment that builds confidence and a genuine interest in science
- Working closely with the STEM Dorado team to enhance the tutorial programme.

What We Offer

- A supportive and enthusiastic science education community
- Opportunities to contribute to outreach programmes and science workshops
- Fixed part-time work hours, ideal for educators, postgraduates, or freelance science professionals
- The chance to make a lasting impact by fueling children's curiosity and love for science

How to Apply

Please send your CV and a short cover letter detailing your teaching experience and science background to alina.chakraborty@stemdorado.com.

Applications will be reviewed on a rolling basis. Early applications encouraged.
